

pink, pétillant & pleasurable

The finest Muscat grape, the Muscat Rose à Petits Grains is used to create Stella Bella Pink Muscat. This wine draws upon the authentic Moscato wine style, made from the same variety. It is delightfully aromatic, low in alcohol and lightly fizzy (or pétillant). The 'rosa' of the berries is expressed sumptuously in the wine's colour, aroma and flavour.

Perfect for the Holiday Season:

Stella Bella Pink Muscat is the perfect accompaniment to the Holiday Season ... think warm weather, long brunches, ice-cold Champagne flutes, fresh strawberries and feather-light Panettone. Thirsty? It also makes for an ideal gift (everyone's mum loves Stella Bella Pink Muscat)!

Now Readily Available!

The good news is that we no longer have the constricted supply that we experienced in the past, when we were solely reliant on fruit purchased from local contract growers. Our very own vines are now bearing fruit of exceptional quality and we have gradually been increasing our production to meet demand. 2012 will mark the first vintage where we do not need to purchase additional fruit, as we'll be fully self sufficient. As such, we'll control our own destiny, volumes and fruit quality for this popular wine.

Most of the fruit is sourced from our Mowen Vineyard on Rosa Brook Road, located quite a distance inland within the Margaret River GI. Being less maritime, the vineyard experiences cooler mornings and evenings, which leads to greater retention of acidity and bright, fresh fruit flavours in the Muscat grape.
