

OTRO VINO THE ITALIAN

Otro Vino = other wine. Adventurous, creative, exotic, and explorative hand-crafted wines.

Vintage 2018

Weather conditions leading into v18 were a little unusual. A warmer than average December followed by a cooler than average January, February and March, resulted in a slow and steady ripening period. This allowed for the development of ripe flavours at low sugar levels and high natural acidity. Providing the perfect balance to create complex, aromatic and precise wines.

Winemaking

A field blend of Sangiovese and Merlot. Wild fermented and matured in old French oak for 7 months. No adds, bottled unfined.

Taste

In homage to the classics of Tuscany, this vino evokes the essence of Italy. Wild fermented Sangiovese with a splash of Merlot, it is captivating and filled with charm. Vespa red in colour it oozes with scents of musk, violets and sweet sour cherries. A wholesome medium bodied palate that is raw and textural with flavours of rich plums and vibrant cherries. Defined by lively driving acidity and savoury curves that give length, depth and lineage. Pure charisma and Italian style... Bella!
