

Skuttlebutt

Rosé 2017

Background

Skuttlebutt wines are made to be enjoyed.

Skuttlebutt is a nautical term for the source of fresh drinking water on a sailing ship where people gather to catch up on the gossip and goings-on. To reflect the nature of this everyday social gathering, we create these wines as the perfect excuse to gather and Skuttlebutt with friends.

Tasting Notes

Pretty pale pink in colour and filled with the aromas of strawberry, raspberry, cranberry and subtle orange rhind. The palate is bright and refreshing with the same luscious red fruits, a slight savoury character and a delicate musk finish. The perfect wine to Rosé the day away!
